## A Note from the Executive Director

Spring is here! Kind of. Depending on the day. And where you live. As the buds pop out on the trees, and the pollen fills the air, we are coming up to full speed on our new research projects! We have several protocols in development for both new projects, and new phases in ongoing projects. Check out a few highlights in my most [recent letter](#).

## Annual Spring Meeting

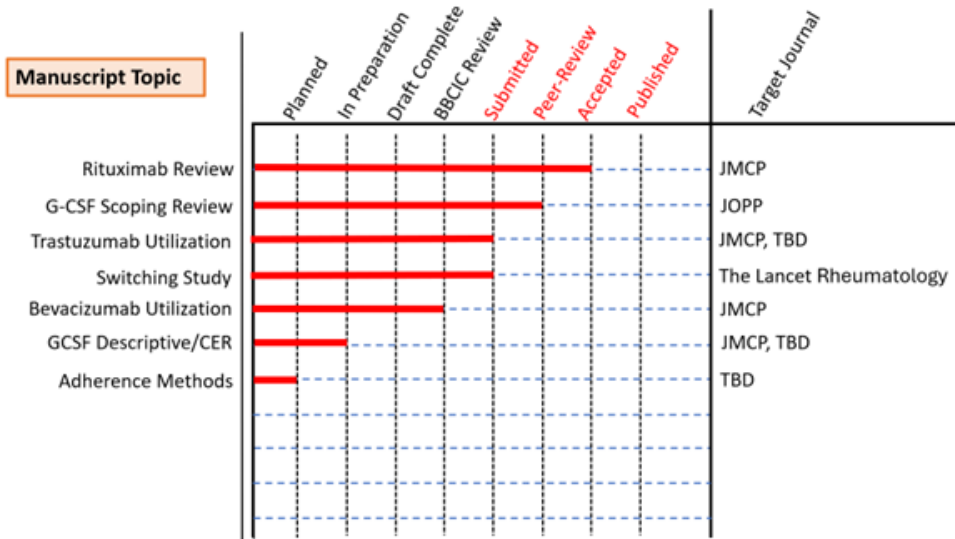

We are starting to plan for our annual meeting and workshop! It is scheduled for June 11 at AMCP Headquarters in Alexandria, Va. If you can't join us in person, you can join the meeting via Zoom. We are starting to develop the agenda that will include updates on our current projects and a breakout session for a new Patient Engagement initiative we will launch in May.

If you haven't received the invitation for the meeting and are interested in attending, please get in touch with Julia at [jmarsh@bbcic.org](mailto:jmarsh@bbcic.org)!
